Notes

- All motors, truss, and rigging hardware are from ASL
- Ground Lights on sides are screwed into platforms
- Circle Truss Bottom Trims 9' from top chorus riser
- All electrics will be set above circle truss and Trim AFTER circle truss is set.
- DS Truss Trims at 30' - kiss bottom audio speakers. (if we can go hire we probably will)
- Video walls trim 13' 6" from bottom of deck
- Please bring steal to drop video walls down from truss
